Table of Contents

Storage Software	1
NetApp ONTAP	1
E-Series SANtricity software	1

Storage Software

FlexPod Express supports storage systems that run NetApp ONTAP or SANtricity operating systems.

NetApp ONTAP

The NetApp ONTAP software is the operating system that runs on AFF and FAS storage systems. ONTAP provides a highly scalable storage architecture that enables nondisruptive operations, nondisruptive upgrades, and an agile data infrastructure.

For more information about ONTAP, see the [ONTAP product page](#).

E-Series SANtricity software

E-Series SANtricity software is the operating system that runs on E-Series storage systems. SANtricity provides a highly flexible system that meets varying application needs and offers built-in high availability and a wide variety of data protection features.

For more information, see the [SANtricity product page](#).
